Terms & Conditions

Cancellation for Not On-boarding (3 days): The individual who has been awarded the opportunity to earn the Rewards under this promotion should complete his onboarding process at Stake within 3 working days and comply with the relevant terms and conditions therein. If the onboarding process is not completed, then such individuals will not be entitled to these Rewards.

Rewards: The Rewards shall be presented separately on the Reward Wallet when the relevant criteria for a Reward Scheme are met. The Rewards can only be utilized upon request by the Client and approval of the Company.

Limitation on Use: The Rewards can only be used upon request and for investment into the opportunities presented on the platform. Such Rewards cannot be withdrawn, converted to cash, transferred to other individuals, traded, and/or used in any other capacity which is not deemed appropriate by the Company.

Client Money Protection: Rewards are not considered as Client Money and therefore relevant Client Money Protections do not apply to Rewards unless the clients initiate a request to use the Rewards and that request is approved by the Company. Upon the approval of the Company, such Rewards will be converted into monetary value and will be subject to the protections conferred by the DFSA's Client Money Provisions and therefore: (a) this Money will be held separate from Money belonging to the Company; (b) in the event of the Company's insolvency, winding up or other Distribution Event stipulated by the DFSA, the Client's Money will be subject to the DFSA's Client Money Distribution Rules.

Terms & Conditions: Stake may, at any time, and at its sole discretion, modify these Terms & Conditions without prior notice to the Users. Any such modification shall be effective immediately upon public posting. Your continued use of Stake's services following any such modification shall be considered as your acceptance to any modified terms in the future.
