About us

Autorent Car Service Center (ARCS) is a renowned multi-brand automobile service Center equipped with the state-of-the-art tools and equipment since 2008.

With best in class facilities and a team of highly qualified, skilled and experienced technicians, we're capable of identifying problems and providing reliable, cost-effective solutions with low turn-around time.

Autorent Car Service Center is capable of providing complex services such as collision repairs, detailing and chassis alignment.

We also offer car repair, car maintenance, car washes, accident repairs, car modifications and quick lube services at competitive prices.

We are currently serving large Rent-a-car companies, Insurance companies, Corporate fleet customers.

Autorent strive to ensure that all your automotive maintenance needs are met without hassles. It is as simple as coming over and dropping off your vehicle at the drive-in reception at one of our 3M certified service centers at Dubai, Abu Dhabi or Al Ain.
