ABOUT
ESAG

OUR GROUP

Founded in 1960, by H.E. Easa Saleh Al Gurg (KCVO, CBE) the Easa Saleh Al Gurg Group LLC is a multi-divisional conglomerate with over 27 companies. The Group has a range of diverse product and business interests that predominantly include retail, building and construction, industrial and joint ventures. With an active presence throughout UAE, Oman, Saudi Arabia; its reach stretches across Asia, Middle East and the African continent, parts of America, Australia and New Zealand.

MESSAGE FROM THE CHAIRMAN

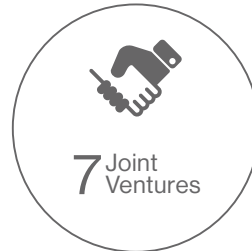

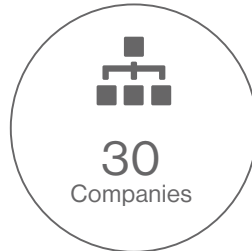

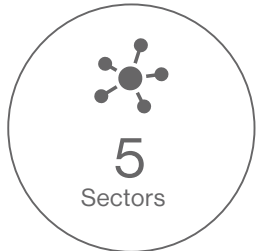

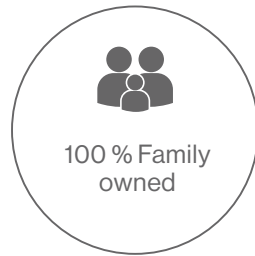

To embark on a journey of success one needs preparedness, foresight, and strategy. For Easa Saleh Al Gurg Group (ESAG), these tools have led to a path of steady growth and success; creating a multi-dimensional conglomerate with portfolio of complementary business.

We started in Dubai in 1960, as a trading company and today no business sector or geographical market is remote for us. ESAG endeavors to be one of the most competitive business houses with emphasis on efficiency in operations, reliability for customers, thrust on development and value building for our partners. To achieve this, we utilize our experience and the expertise of our qualified professionals to provide maximum benefit; which encourages repeat patronage together, sharing best business practices and combining resources, financial, managerial and operational skills to make a difference.

We look for long term sustainable growth by selecting sectors and partnerships where we see ourselves having a distinctive role, now and in the future. Today, through our well-recognized market presence and strong product portfolio we are poised to make paradigm shift in our growth. In our constant pursuit of new brands and business, ESAG will continue to grow organically in our areas of strength, leveraging opportunities, which are aligned with our values.

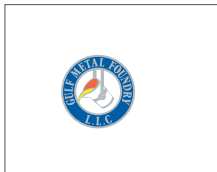

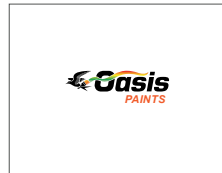

H.E. Easa Saleh Al Gurg, KCVO CBE Chairman

WHO WE ARE

Established in 1989, Oasis Paints is Al Gurg Paints' home grown brand offering a complete range in Decorative, General Industrial, Protective, Wood Coatings in addition to an exclusive range of designer finishes for home owners in the UAE. Oasis continues to have a robust product range with environmentally friendly coatings, being awarded the ISO 9001/20015 certification as well as the Green Building Certification. Being a member of the Easa Saleh Al Gurg Group, we signify total integrity, transparency and professionalism.

VISION

To be a preferred paint company which offers effective and efficient solutions through high quality products, consistent services and by creating long lasting value for stake holders.

MISSION

Striving to consistently offer our clients simple, sustainable and innovative solutions through growing services, system and process improvements, anticipating client needs and exceeding expectations.

Local production capacity : 19 million litres

Number of employees : 132

OUR **ENVIRONMENTAL POLICY**

We maintain a range of low or zero VOC (Volatile Organic Compounds) products adhering to strict Industry standards that are accepted globally. Most of the raw materials are sourced locally which reduces the carbon foot print. We have installed Solvent Recovery Units where the solvents are recycled and re-used in production on a continuous basis.

LOCAL **RESEARCH & DEVELOPMENT**

Research and Development is an integral part of AI Gurg Paints where high quality and environmentally friendly coatings are formulated and developed by our highly trained professionals. Product innovation and development is at the forefront, with the products enduring a series of stringent, long term tests to suit various weather conditions. These coatings are tested (PAC/UV Resistance/ LRV/SRI etc.) in accordance to international standards. This ensures that the products are consistent in terms of quality and maintain high performance standards.

INDUSTRIAL COATINGS

Our Industrial Coatings are classified into two distinct ranges, General Industrial Coatings and High Performance Protective Coatings. While the GI range caters primarily to industries such as pre-engineered buildings (PEB's), port-a-cabins, drums and barrels, scaffolding, fabrications etc., the HPPC range has been designed specifically for the oil & gas and other heavy engineering industries. This range includes zinc silicate, zinc phosphate epoxies, polyurethane paints and vinyl ester glassflake epoxies etc.

Protective Coatings

General Industrial Coatings

WOOD COATINGS

Our wood coatings include sealers, lacquers and stains that are premium and fast drying to give a long lasting appearance, preserving the natural beauty of wood. These coatings can be diluted either by using a solvent or water. It results in an eco-friendly performance for both interior and exterior surfaces. Both the interior and exterior wood coatings prevent decay, dirt deposits, are highly durable, water and UV resistant, tough and flexible.

FLOOR COATINGS

Our floor coatings are designed to be long lasting, durable and designed for different kinds of traffic movement. These coatings are epoxy and PU based, which offers slip resistance and anti-skid properties. This coating is ideal for any surface from car parks to helipads.

EXPORT FOOTPRINT

A cost effective range of our products have been developed to suit the export market to meet the demands of the consumers. It comes with customised pack sizes critical to the 18 countries that we export regularly. Our coatings are available in Africa, Indian subcontinent, Indian Ocean belt, and CIS destinations. We provide support in terms of freight and logistic assistance and technical back up in form of visits for troubleshooting.

DESIGNER TEXTURES

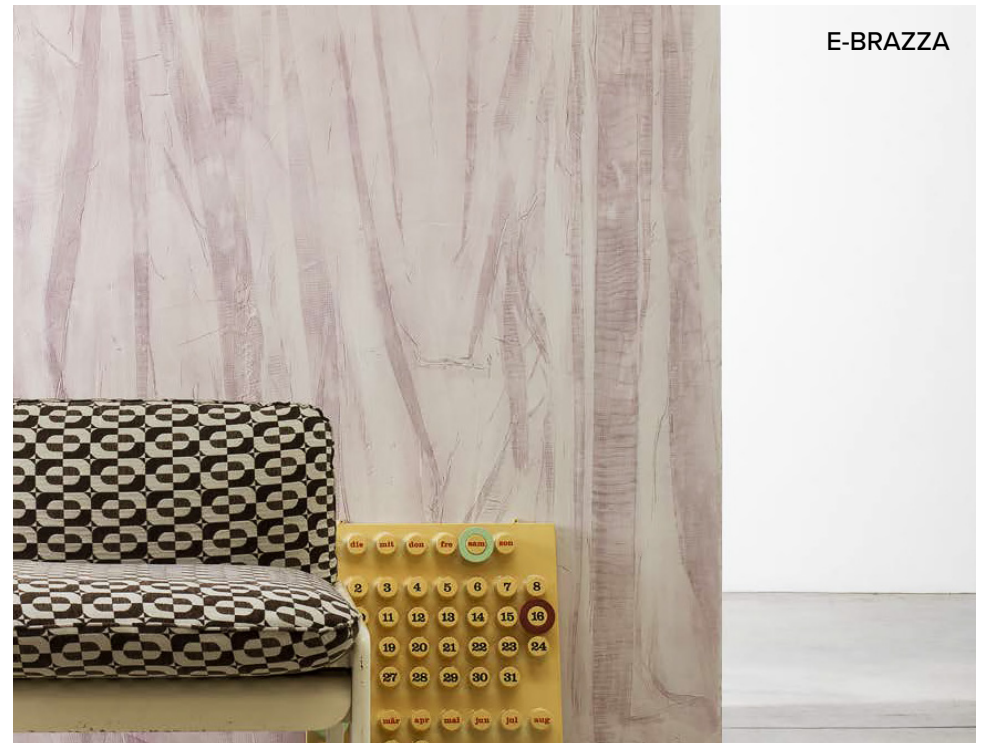

We have recently partnered with Viero to provide clients with exclusive, Italian based designer textures, suitable for feature walls. Viero is a brand that embodies an inventive spirit while exploring the world of design, architecture, contemporary art and professional craftsmanship to achieve a final product imbued with harmony and functionality, eco-sustainability and ease of use. Viero provides a variety of textures under this category.
