DV300 Screen

DV300 Screen

IT DVO propone la nuova linea Screen, una serie di speciali barriere protettive dedicate agli operatori e a tutti coloro che, per attività lavorative, sono a contatto diretto con il pubblico. I prodotti della linea DVO Screen sono in plexiglass, trasparenti, bilanciati ed adattabili a gran parte delle superfici; infine, grazie al sistema autoportante risultano di facile collocazione su reception, scrivanie, tavoli di diverso genere etc. Gli screen sono riciclabili al 100%.

EN DVO offers the new “Screen” line, a series of special protective barriers that allow you to protect operators and all those who, for work, are in direct contact with the public. The products of the DVO Screen line are in plexiglass, transparent, balanced and adaptable to most surfaces; finally, thanks to the freestanding system, they are easy to place on reception, desks, different kind of tables etc. The screens are 100% recyclable.
